NO SHORTS, NO FAULTS!
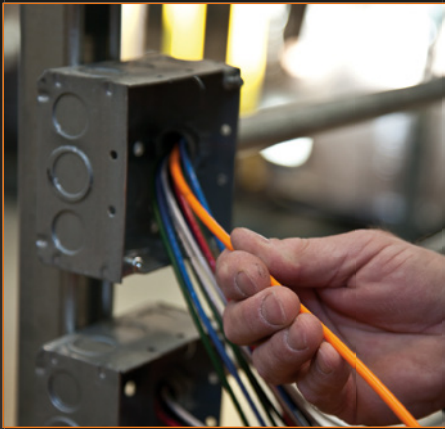

Non-Conductive
Fiberglass Fish Tape

Help protect yourself, electrical wires and equipment with Klein Tools® new, non-conductive fiberglass fish tape.
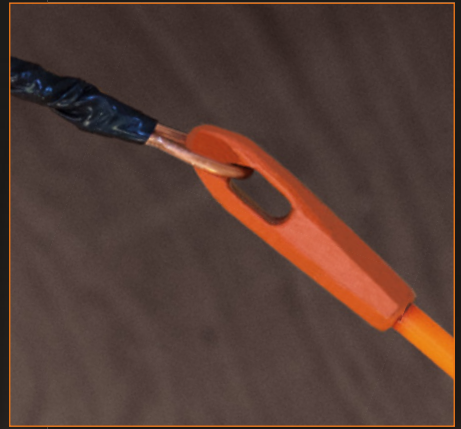

KLEIN TOOLS®

NON-CONDUCTIVE

PERMANENT 1' MARKINGS

100'

STREAMLINED DURABLE TIP

- Non-conductive tape and tip reduce the risk of injury and damage on the jobsite.

- Permanent markings in 1' increments allow accurate measurement of depth of conduit runs.

- Round diameter fiberglass protects existing wires from damage when fishing.
