- Slimline SATA to SATA / LP4 Power Cable Adapter, 12inch

Connects a Slimline SATA HDD to a Controller or Motherboard SATA port

Description

Tripp Lite's P948-12i Slimline SATA cable, connects your slimline SATA drive to a standard SATA controller. This slimline SATA adapter with power splits a Slimline SATA connector into a standard SATA data cable (12 inches) and a power connector which plugs into any standard 4-pin 5V (molex LP4) connector. SATA-3.0 6Gbps supported.

Features

- 12inch, SATA to SATA / Power
- Supports 6Gbps transfer
- Used with Slimline SATA drives such as CD / DVD drives
